

Membership terms

Membership

The Karlstad Student Union has student members, support members and honorary members.

Student member

For a student membership in Karlstad Student Union (KS), you must be a registered student at Karlstad University (KAU). A student member pays a membership fee determined by the student union council.

Support membership

When the member has completed their studies at KAU, they do not need to notify KS about this. After completing their studies, a member can choose to become a support member, which means that the person in question continues to support the student union's activities even though they are no longer studying. A support member pays a membership fee determined by the student union council.

Honorary membership

Honorary membership can be obtained from those who in a meritorious and honorable way worked for the KS to fulfill its obligations according to the statutes 1 ch. 1 §. An honorary member is appointed for life by the union council and pays no fee.

Refund of membership fee can be made within five (5) days from the date the payment was made. Refund of membership fee after the withdrawal period is made only in cases where the membership fee has been paid more than once by mistake.

Hitract

The Hitract membership card, which serves as student ID and as proof of full membership, is available to download from the Hitract app and is available within five (5) days after the membership fee has been paid. Hitract can only be obtained by registered students.

The Hitract card with KS logo serves as your membership certificate. It is the member's responsibility to be able to present the digital card in cases where membership in KS needs to be demonstrated.

Changes to membership terms

KS may make changes to the membership terms. If the changes are significant, you will be informed in good time before the changes take effect and we will also explain the meaning of the changes. Before a change in terms takes effect, this will be informed on www.karlstadstudentkar.se or via e-mail.

Contact information

For questions about membership, please contact us at studentkaren@karlstadstudentkar.se or via a visit to Karlstad University: 1A 314 (next to Transformum).

For questions about Hitract, contact Hitract via their website: <https://hitract.se/>

By paying your membership, you agree to comply with KS [membership terms](#), [statutes](#) and [equal treatment policy](#).

By paying your membership, you accept that KS saves and processes your personal data in accordance with the purposes set out in KS [GDPR policy](#).
